[Notes]

- How to read the table: The number " 497 " in the box of the dose row " $1<$ Dose $\leq 2$ " and the No. of engaged projects column " 3 " means that there were 497 workers who were engaged in three decontamination and related projects and whose radiation doses were greater than 1 and less than or equal to 2 millisieverts in 2021.
- Data based on registration as of 16 May 2022.
