#### [Notes]

- How to read the table : The number "92" in the box of the dose row " $1 < \text{Dose} \leq 2$ " and the No. of engaged projects column "3" means that there were 92 workers who were engaged in three decontamination and related projects and whose radiation doses were greater than 1 and less than or equal to 2 millisieverts in 2024.
- Data based on registration as of 8 May 2025.
